

Session Program

14-18 Jul 2025

Quantum Sensing School

Laboratorial activities

Wednesday 16 July

14:15

Laboratorial activities: Session 1

Session | Location:

14:15-18:05 **Lab activities: measurements with SC resonators**

Speaker

Dr Enrico Bogoni

18:15

Thursday 17 July

14:20

Laboratorial activities: Session 2

Session | Location:

14:20-18:10 **Lab activities: NMR2, measurements with 2D resonators**

Speaker

Dr Enrico Bogoni

18:20

Friday 18 July

14:20

Laboratorial activities: Session 3

Session | Location:

18:20

14:20-18:10 Lab activities, NMR3, measurements with 2D resonators
