

Session Program

May 18 - 23, 2026

Microfluidic Horizons 2026

Monday 18/05, 10 - 13; Auditorium

Mon, May 18

10:00 AM

Monday 18/05, 10 - 13; Auditorium Session

11:00 - 11:20 AM **Brain-inspired nanofluidics with electromechanical ionic memories**

11:20 - 11:40 AM

Hidden Ionic Current Loops in Ion-Exchange Membranes Under Open-Circuit Flow Conditions

Speaker

Corentin Tregouet

1:00 PM
