

# arQus School of Gamma-ray Astronomy and Statistics

## Monday 5 September 2022

### Introduction to High Energy Astrophysics: Theory - Room 456 - 4th Floor (10:30 - 12:30)

-Conveners: Michele Doro

time	[id] title	presenter
10:30	[2] Introduction to gamma-ray astrophysics	DORO, Michele

### Introduction to High Energy Astrophysics: Through the multi-wavelength spectrum - Room 456 - 4th Floor (16:00 - 17:20)

-Conveners: Elisa Prandini

time	[id] title	presenter
16:00	[4] High Energy Astrophysics Across the Electromagnetic Spectrum	PRANDINI, Elisa

# Tuesday 6 September 2022

## **Introduction to High Energy Astrophysics: Experiments - Room 456 - 4th Floor (15:00 - 16:00)**

**-Conveners: Michele Doro**

time [id] title

presenter

15:00	[6] Gamma-Ray Experiments	DORO, Michele
-------	---------------------------	---------------

# Wednesday 7 September 2022

**Introduction to High Energy Astrophysics: The Search for axion like particles. A true case analysis - Room 456 - 4th Floor (11:00 - 12:30)**

-Conveners: Ivana Batkovic

time	[id] title	presenter
11:00	[8] Axion Like Particle searches	BATKOVIC, Ivana
